By proper care the fate of Hamilton can be averted, but too much indifference may result in a disastrous fire.

The public.

I have been solle trader for four years; have done a good deal of business for many years; have hept my private, separate property for many years before I married Mr. Doncher; have done business with all the best bankers and merchants on the Pacific coast, and hever owed a two-bit piece during that time. I was sued a year ago for a bill of goods during my absence from Pioche, that was ordered and shipped in Mr. Doscher aname. A Cornishman named Joe Opie bought Mr. Doscher out before he went to Arizona. Opie leased the lower part of my house, in which heopened a saloon. Three weeks after Mr. Doscher left for Arizona, the liquors of the many in the property of the salow of the liquor, and disposed of them in various ways. I was sued for the above liquors, ordered without my knowledge, and \$600—rents—due me, attached and held for one year by John Kane. then Sheriff of this county; and at the present time no account can be given of the money, and all the satisfaction that I can get, is, that Kane paid if out for, buggr hire to Wes. Travis, the present Sheriff.
